PressurePro™ TPMS Technologies to be Exhibited at 31st Annual Sports, Vacation & RV Show Leading TPMS provider to showcase latest monitoring options in Quartzsite

Harrisonville, MO USA: January 3, 2014: Advantage PressurePro™ is happy to announce the attendance of their National Distributor, L&S Safety Solutions, at the upcoming Sports, Vacation and RV Show in Quartzsite, Arizona. Being held January 18th through the 26th, the show remains the largest gathering of RVs and RVers worldwide, with an estimated attendance of over 150,000 RV enthusiasts.

“We are excited about returning once again to Quartzsite for the Annual show,” stated Carol Sprague, VP of L&S Safety Solutions. “Not only does Quartzsite provide a great platform to showcase PressurePro’s award winning TPMS options to the most dedicated RVers in the Nation, it also gives us a great opportunity to speak one-on-one with current and potential customers to discuss the many advantages of the PressurePro system.”

PressurePro continues to lead the market in technology advancements and comprehensive product offerings. Bringing users a complete range of high and low pressure and temperature alerts, data logging and more, PressurePro provides drivers with the real time tire performance information needed to help increase fuel efficiency, extend tire life, decrease maintenance, reduce downtime and more. Recently named a MotorHome Magazine ‘Reader’s Choice Award’ winner for the second year in a row, PressurePro continues to bring RVers peace-of-mind while on their adventures.

L&S, PressurePro’s original RV distributor with over 23 years of experience working in the TPMS field, will be displaying in booth #228, located in the center of the indoor exhibit area.
