PressurePro Gift Local Charities as Holidays Approach Leading TPMS provider continues their history of giving back to their community.

Harrisonville, MO USA: December 9, 2014: Advantage PressurePro™, the world leading Tire Performance Management Solutions provider, continues their history of giving back to their local community today with gifts written to Harrisonville Just4Me, the Cass County Toy Shop and Harrisonville's Shop With A Cop programs.

"Being an industry leading and internationally acclaimed company, while being based in Harrisonville, is a fascinating mix for our company," stated Vanessa Hargrave, PressurePro's Director of Marketing. "Keeping our roots in Harrisonville, while growing partnerships and dealings across the globe has afforded us the ability to continue supporting and giving back to our community that we love while also getting to show off our community on an international scale."

With Christmas approaching, PressurePro extended that local assistance today with \$2,000 worth of donations to benefit local in-need children. Through Just4Me, Shop with a Cop and the Cass County Toy Shop, PressurePro's assistance will be put to use not only to help brighten the Holidays, but will continue giving back in 2015, helping bring food assistance to our local youth for the months of summer.
