25 Under 25 Selects Advantage PressurePro for 2019 Class of Honorees

PressurePro recognized as one of Kansas City's best small businesses by Thinking Bigger Business Media

Harrisonville, MO | January 21, 2019: Advantage PressurePro, LLC, world leaders in Tire Performance Management Solutions and TPMS technology, has been announced as a 2019 recipient of the prestigious 25 Under 25 Award. Hosted by Thinking Bigger Business Media, the award is presented to 25 local businesses with fewer than 25 employees. Each winner has demonstrated financial strength, the ability to overcome adversity and challenges, a commitment to the community and a powerful company vision.

"Small businesses are a powerful, but often overlooked force in Kansas City," said Katie Bean, President of Thinking Bigger Business Media.

"Together, these companies employ thousands upon thousands of people, deliver innovative products and services, and help support our government, schools, nonprofits and other public resources. Of course, most of our winners are too humble and too busy to brag about their contributions. But, it's a story that needs to be told. The 25 Under 25 Awards are proud to celebrate the important service of small businesses."

An independent panel of judges consisting of area business leaders chooses the winning companies.

"We're thrilled to have been chosen by Thinking Bigger as a recipient of the 25 Under 25 Award," stated Vanessa Hargrave, PressurePro's COO. "As Kansas City's leading business magazine, Thinking Bigger constantly celebrates and encourages entrepreneurship and innovation, two of the pillars on which PressurePro was built by our founders, Rhita and Phillip Zaroor. To be recognized as not just as forward thinkers, but as contributors to our community, is absolutely rewarding and appreciated."

This is the 18th year for 25 Under 25. This year's honorees will be recognized during the annual 25 Under 25 Gala on Saturday, Feb. 23, 2019 at the Downtown Marriott's Muehlebach Hotel. A complete list of winners can be found at www.25under25.com.
